IMPORTANT INFORMATION

PAYMENT FOR SERVICES

If your NDIS plan expires before the supported getaway and your new plan does not include enough funding to cover the NDIS portion of the getaway, this will be payable by the participant.

Additional expenses that are not included in the Participant's NDIS plan are the responsibility of the Participant and are not included in the costs noted above.

CANCELLATION OF SERVICES

Cancellation by Finding Yellow

There may be occasions where supported getaways need to be cancelled or rescheduled. Such circumstances may include: changes or cancellations by getaway provider, insufficient attendees etc. Finding Yellow will advise attendees of any changes / updates to supported getaways as soon as possible, and where applicable, reschedule the supported getaway to another date.

CANCELLATION BY CLIENT

Clients are required to provide notice of cancellation as soon as possible and no later than '**7 Business days**' notice prior to a supported getaway. Finding Yellow is bound by the getaway providers' cancellation policy and therefore may not be able to refund monies paid if a cancellation is received.

LIMITATION OF LIABILITY

Subject to any responsibilities implied by law and which cannot be excluded, we are not liable to you for any losses, damages, liabilities, claims and expenses (including but not limited to legal costs and defence or settlement costs) whatsoever arising from any incident arising whilst on a getaway, whether in contract, tort including negligence, statute or otherwise.

VISA REQUIREMENTS

Certain countries require a Visa for entry prior to arrival. Please ensure you are fully informed of the requirements before you make a reservation. Visas are the responsibility of all passengers travelling.

VACCINATIONS

Vaccinations are recommended for certain destinations. Please contact your local GP or the Travel doctor (www.traveldoctor.com.au) who will advise you of these requirements. Please note that some vaccinations may be required weeks in advance of travelling.

PASSPORT

All individuals departing from Australia and visiting any foreign port must be in possession of a valid passport. Should you be travelling on anything other than an Australian Passport then it is your responsibility to bring this to our attention as you may require a visa or permit to re-enter Australia or any other country you may visit. Your passport must be valid for a minimum of six months beyond the date of your return and have sufficient blank pages for entry and exit stamps and visas.

TRAVEL INSURANCE

It is strongly recommended that all passengers take out comprehensive travel insurance when making a booking. Travel Insurance should cover a minimum of loss of deposit and other monies lost through cancellation, other benefits may include loss or damage to personal baggage and loss of money, medical expenses, additional expenses to cover hotel accommodation and repatriation costs to Australia should any services need to be extended or curtailed due to illness or other insurable risk.
